Amazing Prep

This week was an absolute blast, celebrating our 100 days of Prep on Tuesday! We also thoroughly enjoyed our buddies lesson this week, creating WANTED

posters for our missing Gingerbread men. How did we get to 100 days so fast?!? Well done, everyone!

Magical 1/2

Another busy week in the one/two space. We have begun to write up our very own information reports about our chosen Australian animal. This involves us doing some research on the internet and writing under subheadings. Lets hope we learn a lot about some of our very unique animals so we can visit Kyabram Fauna park full of knowledge. That reminds us... we still have some excursion notes to be returned so if you haven't already...can we have them back ASAP?

We have also been talking about different types of sentences...Do you know the difference between a simple and a compound sentence? Our colored words also need to be practiced at home...can you help?

We have been renaming numbers and regrouping two digit subtraction sums, measuring, counting by 2, 3, 5 and 10 and looking forward to starting our Money unit! Look out for our little pop up shop in our room! If you have some empty, clean, food boxes, send them in so we can go shopping!

Our Literacy appreciation activities have involved Classic Fairytales. Yesterday we studied Little Red Riding Hood and made delicious scones to put in the basket to take to Grandma! Thank you to our fabulous E.S's, Mrs Dee and Miss Megan for helping us in the kitchen. We honestly couldn't do it without you. Did you get to eat a scone?

In spelling we have been investigating the Sh and Wh sounds. We also have some great Vinny Vocab hunters who always suggest amazing "Words of the week!" Gotta love that!

We have just about caught up with every family for a Parent interview. Thank you for taking the time to help us learn about your child. If you have some follow up actions, please let us know as we all work towards providing your child with the best opportunities for learning. Keep up that home reading and thanks for caring.

Mrs Mac is taking some L.S.L on a beach somewhere for the next two weeks. We welcome Ms Goudie to our grade during this time... with Mr A continuing to be our Thursday and Friday teacher.

Stay safe.

The team in one/two.

Grade 2/3/4incredible!

Wow can't believe we are nearly finished week 4 of school. We have been watching and updating our medal tally daily on the Commonwealth Games! We have continued to learn a lot about the Commonwealth and the countries that are a part of the Commonwealth. We are enjoying learning about some of the sports and athletes competing at the games.

In literacy we continue to practice our sight words and have been learning about different trigraphs. Our focus for this week was spr and thr. We have continued to focus on prefixes and suffixes as well.

In Maths we continue to learn about area. We have also been learning about division and multiplication. We have been playing some great maths games in our

maths lessons. It's great to see the students getting back into a good routine of reading at home. We look forward to another great week next week.

DON'T FORGET school grades 3, 4 and 5 are leaving for a 3 day camp at Billabong Ranch on Monday to Wednesday next week.

Miss Janelle, Mrs Tieppo & Mrs Lake

5/6 Brilliant!!!!

A very quick week so it seems!

A great week. Buddies was fun, even if our gingerbread men have been kidnapped or gignerapped – stay tuned to see what happens.

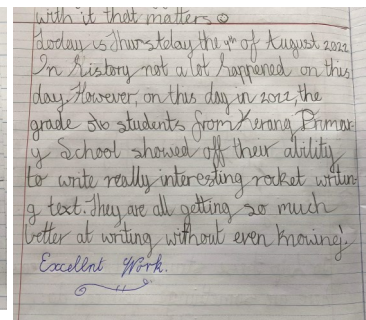

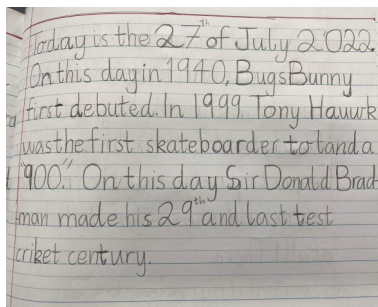

Maths has been great – many students doing extra work at home, which is fantastic. We have been learning about simple to complex area calculations and have been doing extra work in addition, subtraction and division to keep us learning and remembering how to do the more difficult processes.

Grade 5 students go on camp next week, so

please make sure you have returned their permission form and medical form. If there is anything else we need to know please contact myself before Monday.

Thanks and enjoy the rest of your week.

Mrs Fletcher & Mrs Morris 😊

HEAD LICE ALERT

PLEASE CHECK YOUR CHILD'S HAIR TONIGHT!!

TO CHECK

Check the scalp for insects or eggs. Use a fine-tooth comb on wet hair then comb through the hair in sections looking for eggs or lice, repeat over a few days.

TO TREAT

Wet the hair and scalp with conditioner or use chemical shampoo/ lotion (containing insecticide) – this will kill the lice and eggs. Using a fine metal comb, or special head lice comb you can get from a chemist, go through the hair in sections to comb the lice and eggs out.

Always re-treat 7-10 days after the first treatment, to kill any head lice that may have hatched from eggs that survived the first treatment.

TIPS

- ✓ Check and treat the hair every night
- ✓ Please tie up long hair for school
- ✓ If your child has head lice please check everyone in the family home
- ✓ Do not share hairbrushes, towels, hats/ scarves etc.

MARC VAN NEWS, TERM 3, WEEK 4 2022

Perry the Bull Mascot

tally – Aussie, Aussie, Aussie !!!

Next week we will continue to focus on the Shortlisted books from CBCA. Also the Book Parade is happening this Term – **Friday 26th August, at 11.30am.** By now there are many excited children planning/ making their Book Parade Costume- thank you to families for making this happen!

This week in MARC Lessons all children have focused on the Commonwealth Games, currently taking place. The younger classes have made their own Gold medal or coloured in the Australian Flag and we even listened to the Australian National Anthem!

In the older classes we have researched an Australian Athlete of our own choice and looked at the countries participating in the 2022 Commonwealth Games, in Birmingham. We were amazed that 72 countries were involved and that Australia is at the top of the Medal

Borrowing is happening once again this Term and I encourage all children to borrow from the MARC van – there are some fantastic new books that I have recently purchased. *See you at Kerang Primary School on Monday and Friday's.*

Thanks for staying up to date with MARC!

Child Safety

Kerang Primary School is committed to Child safety. The safety and wellbeing of our students is a primary concern. We want children to be safe, happy and empowered. We support and respect all children, as well as our staff and volunteers. We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. To ensure the safety and best interests of all students, we take into account the needs of those with an Aboriginal or Torres Strait Islander heritage and those from culturally and/or linguistically diverse backgrounds.
